## ABOUT ME

“UX/UI Designer with solid experience in web design and digital marketing, combining user experience with business objectives. I work closely with multidisciplinary teams, ensuring the creation of functional and user-friendly interfaces, using data insights to achieve the best results.”

## EXPERIENCE

### UX/UI Designer & WordPress Web Design Specialist

Consejo Superior De Investigaciones Científicas (CSIC) / Madrid

December  
2020 -  
January 2025

- Collecting and incorporating qualitative and quantitative data in order to iterate and improve the overall user experience.
- Connecting the needs of the organization with development, translating stakeholder requirements and user feedback into user-centered web solutions, including CMS platforms.
- Ideating wireframes and prototypes in Figma, ensuring alignment with technical constraints and seamless communication with stakeholders.
- Actively collaborating with the development team to ensure the implementation of the validated user-centered solution by customizing CMS platforms.

### UX/UI Designer & Content Strategist

Parada Creativa / Granada

May 2018 -  
June 2019

- Executed web design with a strong focus on aligning user preferences with business objectives.
- Designed Search Engine Marketing (SEM) and email marketing campaigns, leveraging expertise in usability to enhance effectiveness.
- Implemented UX copywriting and Search Engine Optimization (SEO), bringing a wealth of experience in enhancing user navigation, accessibility, and search visibility.

## Digital Marketing & UX Specialist

### GES Formación / Granada

October 2017  
- May 2018

- Created engaging visual content and managed social media, focusing on maximizing user interaction and engagement.
- Designed email marketing templates, leveraging expertise in usability to drive user-friendly experiences.
- Optimized Search Engine Optimization (SEO) strategies, enhancing user experience and improving accessibility.
